

Kindly save the dates: May 26 welcome dinner in Brussels and May 27 in Transinne-Redu with an optional Tour in Ardennes.

See details below.

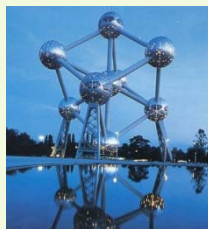

EUTRALEX Aerospace Consulting and McGill University Institute of Air & Space Law present:

INTERNATIONAL GALILEO GOVERNANCE AND LIABILITY WORKSHOP

This event, sponsored by EUTRALEX Aerospace Consulting and the McGill Institute of Air & Space, will be held in Transinne-Redu. It will gather senior representatives from the business, government and academic communities who will share their vision on the industrial, institutional and legal stakes of this European satellite navigation program.

Full program and registration form soon available on www.galaxia-park.eu

and www.mcgill.ca/iasl
